

WHY CHOOSE BLACK BEAR?

Led by Jon Heisman, who ranks second all-time in PA with 384 wins as a High School Head Coach, Black Bear has seven outstanding HS Head Coaches and two college coaches who are on the field teaching our members the right way to play, preparing them to compete at the next level and helping them with the college recruiting process. We are not your typical travel lacrosse program. We have developed position specific skills and station training regimens enabling us to leverage the respective expertise of our talented staff for the benefit of all our members. We are more than just a travel lacrosse program. We are an Elite teaching program taking our members' play to the next level. We offer outstanding, mature, battle tested coaches, optional off-season training, and year-round playing opportunities against the best teams.
